

Gaylord's Certified Nursing Assistant program is a robust and active learning experience. The classroom portion of the program is held in Gaylord's Nursing Education Classroom and Simulation Lab. The clinical portion of the program takes place on a rehabilitation unit within Gaylord Hospital. Students will be prepared to take the CT Certified Nursing Assistant (CNA) certification examination upon program completion. The program is led by a registered nurse with assistance by a CNA. Group size will be limited to a maximum of 8 students per session.

2023 Spring Session: April 10, 2023 - May 27, 2023

Requirements for Students:

- Must be 18 years or older
- Must hold a high school diploma or GED equivalent
- Fluent in English
- Fully vaccinated for COVID-19; including booster if eligible
- Interview required
- Uniform – scrubs (any color or prints are acceptable) and closed toe shoes
- Must pass criminal background check, physical and drug screening

Students are required to purchase books, scrubs, required medical clearance/background checks and fee for Connecticut Certified Nurses Aide Exam. Program instruction is provided at no cost.

Have questions? Please contact Lacey McCauley: (203) 284-2784

118 hours (78 classroom/lab, 40 hours clinical)

Student Benefits:

- Students may be eligible for immediate employment after course completion.
- Potential reimbursement of program fees after course completion with employment commitment.
- Shadowing and mentoring opportunities for various clinical roles (RN, LPN, physical therapy, occupational therapy and respiratory therapy)
- Employees are eligible for a tuition reimbursement program for continuing education.
